

call for artists:

works' 2018 auction needs you!

celebrate 41 years of advancing artists with works/san José:

we're asking for the privilege of having **your art** in the **2018 benefit auction!** along with being works' main fund-raiser, the auction and exhibition serves as a showcase of regional art, and will be on view for a full month from opening to auction night. this year works celebrates 41 years as the south bay's community art and performance center, and your help is needed to keep it moving forward!

please confirm now that you will contribute by sending an email to auction@workssanjose.org with *your name, email address, phone number, and web page* if applicable, so that we can include you in auction press releases and on our website. if you send a photo of the art you are donating we will include that in early publicity. look for artist donation forms and auction updates at: www.workssanjose.org or find us at [facebook.com/workssanjose](https://www.facebook.com/workssanjose). if email is not practical, you can leave a message with your information at **408.300.6405**.

art delivery:

365 south market street, downtown san José, on **four days** from **noon to 4pm:**
saturday and sunday october 20 and 21, and **friday and saturday, october 26 and 27**
art can also be shipped to arrive at works by **friday, october 26**

all work should be **ready to hang or display** with any frame, glass, etc. as appropriate to your piece. as just one token of our appreciation, we offer you a **free** one year membership for all work sold at auction.

notes to help you choose your work of art: we are hoping for a single, substantial piece from your body of work, accessible in size, with a realistic retail value from \$100 to \$1500 (a general guide, but we are open to wide variation). a beginning bid/reserve should be 20 to 30 percent of retail to involve as many starting bidders as possible. **this year artists may choose to receive up to 50% of the sale price of work.** we are very flexible but do have exhibit limitations, so please contact us if you have questions about delivery times, type of art, etc.

opening reception and start of silent bidding: 6pm to 10pm, **first friday november 2**

exhibition hours: fridays 12-6pm, saturdays and sundays 12-4pm

all proceeds support exhibition, performance, education events, and more, at works/san José, your nonprofit, all-volunteer community art and performance center.
